

PRINZHORN GROUP | *We will.*

Prinzhorn Group, including **Hamburger Recycling Hungary Ltd** is committed to the recovery of the material and energy contained in the waste.

With its activities, the company contributes greatly to the replacement of primary raw materials with recyclable materials.

In its business model, it directly embodies and represents the nature of circular economy, a socially useful and sustainable industrial activity, and an operation with environmentally friendly materials and technologies.

For our future, naturally!

Do you know  
where most of the selectively  
collected paper goes?  
To us, of course!

**Hamburger Recycling  
Hungary Ltd.**

**Prinzhorn Group**

The Austrian owned Prinzhorn Group ranks among the European market leaders in the recycling, paper and packaging industry and is the regional market leader in Central and Eastern Europe. Founded in 1853, it is still a family owned and managed group with 9,800 employees in 16 countries. With an annual turnover of EUR 1.8 billion, the group ranks number three in Europe and plans to double its size by 2030. It is structured in three operational divisions:

- Dunapack Packaging (corrugated packaging solutions)
- Hamburger Containerboard (production of corrugated paper)
- Hamburger Recycling (collection and trading of waste paper)

## Innovative Waste Paper Processing

Prinzhorn Group is making significant investments in all its production facilities to reduce its carbon footprint and further improve its high environmental standards. Investments in energy efficiency and the Group's commitment to the more effective implementation of the *circular economic model* help sustainable development.

Hamburger Recycling Hungary Ltd participates in this by RECYCLING. The company's sites operate in an area of at least 20,000 m<sup>2</sup> each, in organized, service-centric facilities with complete infrastructure.

The technology and the built infrastructure of the central site in Csepel were extensively renewed and put into operation within the framework of a large-scale modernization during 2016-2017.

## Significant Business on the Market

Hamburger Recycling Hungary Ltd, the Hungarian subsidiary of the Prinzhorn Group's recycling business, is continuously developing in terms of both quantity and quality. With the increasing amount of collected waste year after year, its high quality of services and competitive market prices, it has reached the most dominant position in the market in the field of paper purchasing, while showing significant development in the field of purchasing and managing plastic waste.

The main site of Hamburger Recycling Hungary Ltd is located at the company's seat at H-1215 Budapest, Duna utca 42. The facility is located on the site of the former Csepel Paper Mill, where it operates nearby to Dunapack Ltd on Prinzhorn Group's property.

## Extensive and Reliable Service

Founded in 1994 as Duparec Ltd, today's Hamburger Recycling Hungary Ltd has become a capital-intensive company with significant development potential and processing capacity following its consistent growth on the Hungarian market. It has become a leading agent in the domestic market segment with its continuously developing, environmentally friendly paper- and plastic waste collection and processing activities.

As a dynamic and innovative service provider, it offers its customized and modern solutions directly at a total of four sites in the country: in **Budapest (Csepel), Maglód, Lőrinci and Inota.**

### Main Partners:

- Printing houses
- Packaging product manufacturers
- Municipalities, schools
- Industrial companies
- Commercial entities
- Waste trading companies
- Individual collectors

## Secure Document Shredding

### Professional Handling of Confidential Documents

One of the various services of Hamburger Recycling Hungary Ltd is the shredding of paper documents generated by different economic agents, containing sensitive information, in accordance with the applicable legal regulations.

The company gladly takes all burdens of shredding off its Clients' shoulders, from the placement of collectors through transport to shredding in a closed system with the highest security.

If Clients wish to, they can follow the process of document shredding in person, thus confirming that a strict and final procedure is carried out professionally.

For the details and pricing of the service, please send us an email or give us a call:
